BERMUDA CONSTRUCTION SAFETY COUNCIL

February 3rd , 2020.

Dear Sir/Madam,

Re: 2020 Premier's Awards

The Bermuda Construction Safety Council is pleased to present our health and Safety Plan for your review and file.

All audience members will be expected to have their temperature checked by an approved thermometer.

Additionally sand sanitizers will be provided before entering the theatre.

Seating arrangements will be adhered to through our partners at PTIX to provide social distancing measures within a limited number of persons allowed in concordance with covid 19 regulations.

With separate entrance and exits for audience, presenters and performers.

The theatre's HVAC system will be monitored and checked to provide adequate air changes per minute and persons will be allowed to exit the building after their segment is complete if desired.

All media will be provided the back rows for equipment set up and filming.

Feel free to contact us at any time at 591-0292 or email bdaconstructionsafetycouncil@gmail.com for further details and we appreciate your support in the built environment.

Sincerely,

Brendon D.Y. Harris

Coordinator

Thermometer

- Temperature check will be recorded before entry at the normal 36.5–37.8 °C (97.7–100.0 °F) Any persons found to have reading exceeding the normal will be subject to refusal to enter the building.

Hand Sanitizer

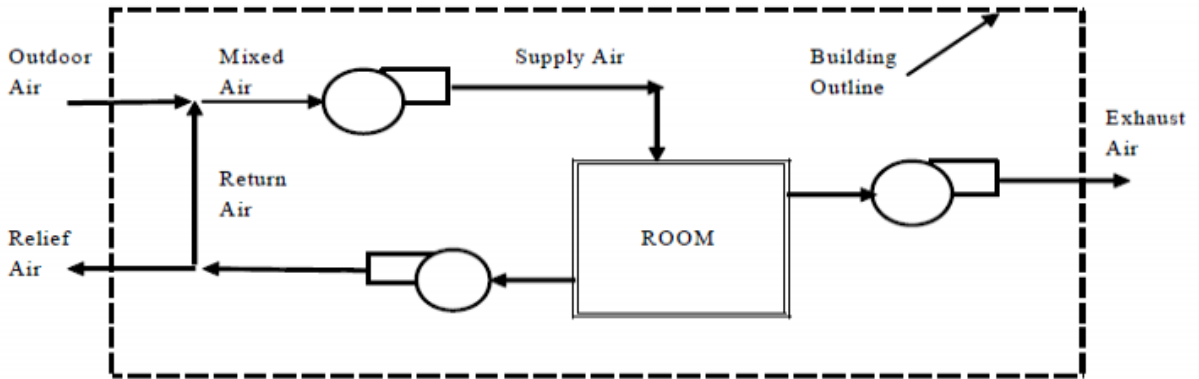

- Alcohol-based hand sanitizers are preferable to hand washing with soap and water, because it may be better tolerated and is more effective at reducing bacteria. decrease infectious agents on the hands as with the current COVID-19 pandemic, hand washing with soap and water is generally preferred with access to W.C.s located in the building.

Attendance

- All persons attending the 2020 awards will be recorded by dedicated representatives for future reference and record keeping.

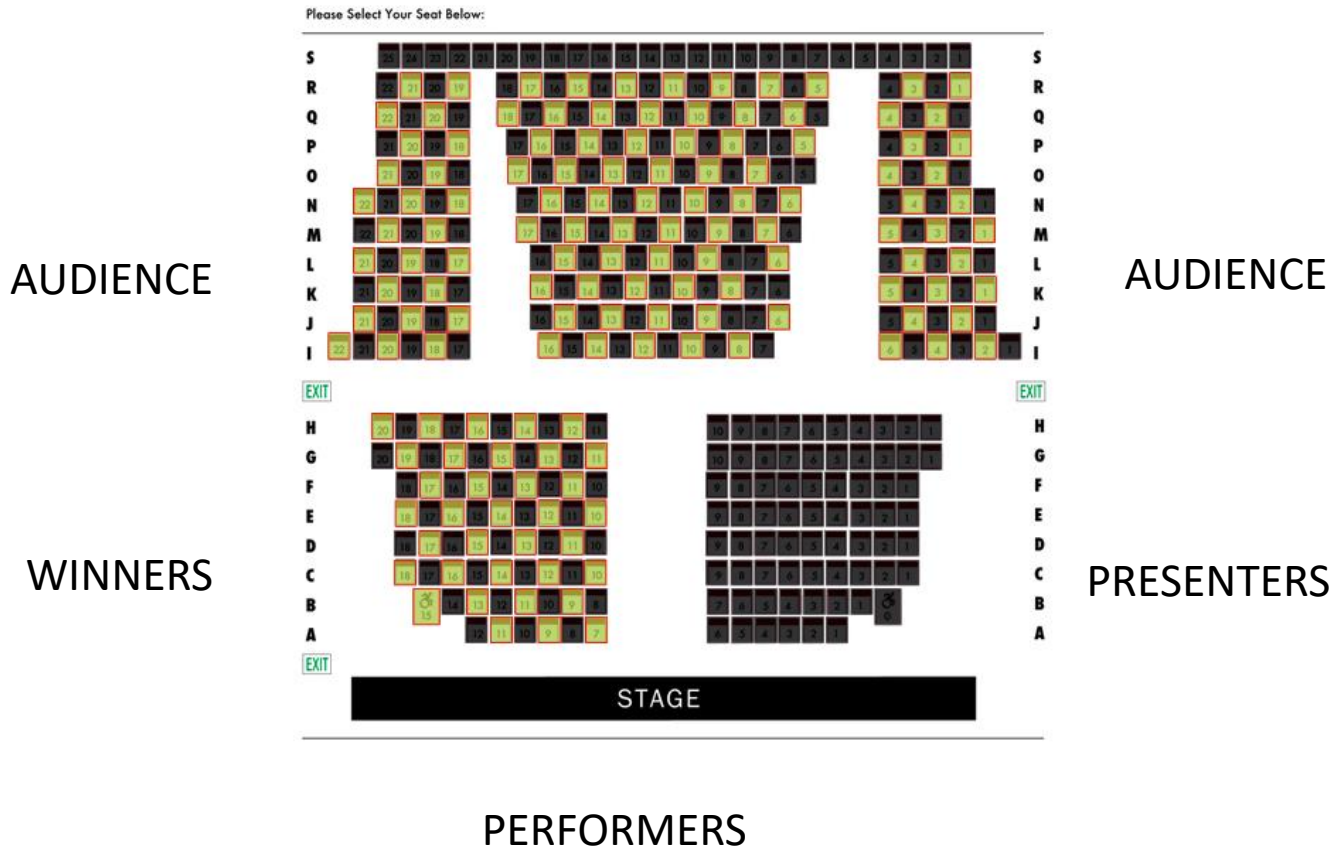

Air Changes

Air changes will be checked for quality assurance at 8 – 15 air changes per hour as per recommended in theaters.

Seating and Egress

MEDIA

- Audience will have assigned seating arrangement through PTIX.
- Nominees will be assigned seating in the front right.
- Presenters will be assigned seating in the front left.
- Performers will utilize changing rooms and rear exits.
- Media will be set up in the back of the theatre.

- Tickets will be provided by PTIX.BM.
